Department of Computational Optimization

Introduction The Department of Computational Optimization obtained the new name in 2008. It was former the Department of Applied Informatics (1993-2008). The taught courses and research topics of the faculty of the department are Operations Research, Combinatorial Optimization, Global Optimization, and Numerical algorithms. Address Department of Computational Optimization University of Szeged H-6720 Szeged, Árpád tér 2. Postal address: H-6701 Szeged, P.O.B. 652, Hungary Phone: +36 (62) 544-222/4895 ext. Fax: +36 (62) 544-895 (Aradi vértanúk tere 1) Fax: +36 (62) 546-397 (Árpád tér 2)
