Changing password on the Institute's computers

Dear Colleague, dear Student!

You can change your password by the [password changeing](http://www.inf.u-szeged.hu/jelszo/jelszovaltas/jelszo.php) page. (You have username and you know your password.)

Changeing password affects:

- login into all student's workstation, in the Kabinet Windows/Linux operating systems

- servers: linux.inf.u-szeged.hu, biro.inf.u-szeged.hu, ftp.inf.u-szeged.hu, [https://moodle.inf.u-szeged.hu](https://moodle.inf.u-szeged.hu) [2], home.inf.u-szeged.hu (only for PhD students and teachers!)

- mail server  (only for PhD students and teachers!) (mail.inf.u-szeged.hu, webmail.inf.u-szeged.hu)

- web server (only for PhD students and teachers!)

If you have any problem with the password changing you can reach the System Administrators at

- Central Building, at Árpád square 2., Room 202,
- Irinyi Kabinet II. floor room 220,
- [kabinet@inf.u-szeged.hu](mailto:kabinet@inf.u-szeged.hu) [3].

This password changeing **DOESN'T AFFECT** the NEPTUN system and the student mail system ([hxxxxxx@stud.u-szeged.hu](mailto:hxxxxxx@stud.u-szeged.hu) [4]). This systems are managed by the Computer Centre! [http://www.u-szeged.hu/cc/english/help-desk](http://www.u-szeged.hu/cc/english/help-desk) [5]

**Admin password changeing** [6] - only administrators
