Changing password on the Institute's computers

Dear Colleague, dear Student!

You can change your password by the password changing page. (You have username and you know your password.)

Changing password affects:

- login into all student's workstation, in the Kabinet Windows/Linux operating systems
- servers: linux.inf.u-szeged.hu, biro.inf.u-szeged.hu, ftp.inf.u-szeged.hu, https://moodle.inf.u-szeged.hu, home.inf.u-szeged.hu (only for PhD students and teachers!)
- mail server (only for PhD students and teachers!) (mail.inf.u-szeged.hu, webmail.inf.u-szeged.hu)
- web server (only for PhD students and teachers!)

If you have any problem with the password changing you can reach the System Administrators at

- Central Building, at Árpád square 2., Room 202,
- Irinyi Kabinet II. floor room 220,
- kabinet@inf.u-szeged.hu

This password changing **DOESN'T AFFECT** the NEPTUN system and the student mail system (hxxxxxx@stud.u-szeged.hu). This systems are managed by the Computer Centre!
