Welcome to the official website of the Institute of Informatics!

This page gives you a short overview about our Institute and the education programs we offer in English.

Things to know:

- We provide English language MSc and PhD programmes in Computer Science. You can get more information about these programmes here:  
  MSc in Computer Science [1]  
  PhD in Computer Science [2]

- We are part of the Stipendium Hungaricum scholarship program. For eligible students this scheme provides a generous scholarship for full time studies in both our MSc and PhD programmes. Please visit the official website for more information and application deadlines at http://www.stipendiumhungaricum.hu [3]

- Our PhD program in Computer Science is the most popular one in Hungary.

- All the lecturers in the MSc program have PhD degree and most of them are highly reputed in their scientific fields at international level.

- University of Szeged is the only Hungarian university which has ever appeared among the first 100 European universities in the Shanghai Ranking.

- Szeged was listed as the 8th best university town in Europe by CNTraveler magazine.
