We are currently looking to hire students for our

**Data Science Internship**

**Location:** Budapest office

**Start date:** Spring 2018

**Contract:** 20/30 hours-a-week contract (flexible)

**Duration of program:** 6 months

The **Data Strategy & Information Delivery Group** is part of the Wealth Management Analytics & Data Organization at Morgan Stanley. The team’s responsibility is to support Wealth Management’s strategic objectives through the use and exploitation of its data and analytical assets. Key focus areas will be in support of organic growth through the digitation and delivery of investment advice; partnering with each business area by providing them the tools, expertise, and support for them to understand and analyze their own data; and to make data and analytics a differentiated capability for the firm.

We are looking for interns in the **Wealth Management Analytics & Data Team** with any of the following skills:

- Good understanding of databases (SQL, DB2, Oracle, Teradata, Hadoop)
- Experience in using visualization tools (SpotFire, Tableau, Qlikview)
- Exposure to predictive modeling experience with Decision Trees, Regression analysis, and other data mining techniques
- Familiar with R, Python, SAS or other statistical software packages

**Requirements:**

- Currently studying for BSc/MSc degree in Economics/Statistics or Technology
- Good command of spoken and written English
- Good data analysis and data management skills
- Excellent attention to detail and organizational abilities

**Application:**

If you are interested in the above opportunity, please apply by uploading your English CV [here](#).

Although application deadlines are in place, candidates are advised to apply early as we recruit on an ongoing basis.

Morgan Stanley is a global financial services firm and a market leader in investment banking, securities, investment management and wealth management services. As a market leader, the talent and passion of our people is critical to our success. Together, we share a common set of values rooted in integrity, excellence and strong team ethic. Morgan Stanley can provide a superior foundation for building a professional career - a place for people to learn, to achieve and grow. A philosophy that balances personal lifestyles, perspectives and needs is an important part of our culture.
