

Hivatkozások

Dr. Balázs Péter Attila, 2014. február 01.

Megjelent tudományos közleményeimre eddig kapott független hivatkozások száma 59. Az alábbiakban ezeket sorolom fel tételesen, a hivatkozott publikációk alapján csoportosítva. Vastag szedéssel kiemeltem azt a 44 hivatkozó publikációt, melyet az Informatika Doktori program is elfogad.

P. Balázs, M. Gara: An evolutionary approach for object-based image reconstruction using learnt priors, In: Arnt-Borre Salberg, Jon Yngve Hardeberg, Robert Jenssen (szerk.), Image Analysis: 16th Scandinavian Conference on Image Analysis, SCIA 2009, Springer Verlag, 2009. Lecture Notes in Computer Science 5575, pp. 520-529.
