

# Checklist for the comprehensive exam

- ☐ Read the regulations carefully (they are not long!)<sup>1</sup>
- ☐ Check the subjects of the theoretical part of your exam<sup>2</sup> (these correspond to some of the courses you took)
- ☐ Consult the lecturers of your subjects about the exam questions/topics related to the given subject as soon as possible
- ☐ Arrange the date of the exam within the exam period with the committee members. Inform the Doctoral School. External members may participate online.
- ☐ Upload your research report to Coospace no later than 2 weeks before the exam as per the instructions in Section 5 of the *Training Programme* and the email you will get
- ☐ Contact your supervisor and make sure he/she uploads the Supervisor's assessment
- ☐ Prepare your presentation as per the instructions in Section 5 of the *Training Programme*
