

Morgan Stanley

# What Will You Create?

We are currently looking to hire students for

## **Finance IT Developer Internship**

**Location:** Budapest office

**Start date:** October 2019

**Contract:** 20-30-40 hours-a-week contract (flexible)

**Duration of program:** 6-12 months

**We offer:**

- A supportive and vibrant multinational environment in an inspiring international team
- Continuous development opportunities
- Opportunity to participate in the firm's networking events
- Opportunity to receive an offer for internship extension/full-time role upon graduation

**You will:**

- Be using your creativity
- Code a lot in different languages
- Learn some Finance
- Work with large Databases

**You have:**

- Ongoing **BSc (or above) studies** preferably in Informatics/Business Informatics or other quantitative fields (Mathematics/Physics)
- Good numerical, analytical and **programming** skills
- Confident knowledge in any of the following languages: Python, VBA, SQL, R, Java, JavaScript or ability to learn them quickly
- Good command of spoken and written English

**Team Profile:** The Finance IT Development team provides hands-on solutions for other Finance teams to enhance their productivity and help them reduce operation risk via process automation.

Interested in **flexible working opportunities**? Morgan Stanley empowers employees to have greater freedom of choice through flexible working arrangements. Speak to our recruitment team to find out more.

**About us:** Morgan Stanley is a global financial services firm and a market leader in investment banking, securities, investment management and wealth management services.

At Morgan Stanley Budapest, we are shaping the future of our global business and contributing to our local community. Our team works across numerous areas, including Technology, Mathematical Modeling, Finance, Risk Management, Operations and Data & Analytics from our new state-of-the-art offices near the Danube and our City Gate office in the heart of the city center.

**Application:**

If you are interested in the above opportunity, please apply by uploading your English CV [here](#).

Although application deadlines are in place, candidates are advised to apply early as we recruit on an ongoing basis.
